Muskan Rashid

AI Response Evaluator · Urdu & English Writer · Psychology Researcher

muskan@muskanrashid.com 0317 0094556 muskanrashid.com Islamabad, Pakistan · Remote linkedin.com/in/muskan-rashid-220335299

> Psychology graduate (BS Applied Psychology; MS Clinical Psychology, final semester) who has written and tested prompts for a live AI web app and checked its answers for accuracy and usefulness. Published researcher trained to read sources critically, score responses against fixed criteria, and write clearly in Urdu and English. Available 20–40 hours a week, Monday to Saturday.

AI EXPERIENCE

Prompt Writer, AI Response & UX Tester — Remote
Sitey (app.sitey.pk) — Islamabad · remote — 3 weeks

- Wrote and refined the prompts used for the app's users
- Tested the AI's responses and reported weak, wrong or unhelpful answers so the prompts could be improved
- Found and reported user-experience problems in the app and helped get them fixed

EXPERIENCE

Psychology Intern — Jun – Sep 2023
Hussain Lakhani Hospital — Rawalpindi — On-site · 4 months

- Administered and scored standardised psychometric assessments accurately and confidentially
- Assisted in psychotherapy sessions using role-play techniques
- Kept session documentation used for treatment planning

Clinical Product & Safety Intern — Jan – Jun 2023
ALIMCOSOFT (SMC-Private) Ltd. — Islamabad — Hybrid · 6 months

- Assessed product usability and safety risks
- Supported product testing, safety review and compliance documentation
- Improved incident tracking processes across teams
